

The [Journal of Indian Leather Technologists' Association \(JILTA\)](#) invites research and technical articles related to leather science, technology, chemicals, and allied products.

Submission process

- Articles are reviewed by a committee and the Editor of JILTA.
- The Editor's decision on all submissions is final.
- A notice from 2018 indicates that technical articles are regularly invited for publication.

Manuscript requirements

- Articles must be submitted in Microsoft Word format.
- The article should contain the following sections:
 - An abstract
 - Keywords
 - A point-by-point detailed discussion
 - Conclusion
 - References
- A passport-sized photo of the author in JPEG format must be attached.

How to submit

Manuscripts can be sent by email to mailtoilta@rediffmail.com and a hard copy can be sent to the ILTA office.

Author rights

- After publication, authors receive a payment via an A/c Payee Cheque or NEFT.
- Students, faculty, and research scholars from various leather institutes are welcome to submit their research and project papers.

An updated version of the Publication Policy will be available soon. Please keep visiting the website for further updates.
